

*Torcello, Rialto *and
Cannaregio are the
names chosen for the
models: three
women's frame's
produced in a *limited
edition of just 600
pieces each*. The
unique nature of this
project is
underscored by its
exclusive packaging.
The purposely-
designed box is like a
small treasure chest

containing the *glasses*. These *are in turn in a leather case along with a
pendant* to be worn around the neck, *made of the very same Murano
glass as the type used for the temple insert*. The forms are extremely
feminine and
eye-catching, but never excessive. There are 3 colour variants for each
model. Venice to Wear: *exquisite, exclusive and trend-setting eyewear*.
