FRAME COLLECTION

Rye&Lye Adds New Styles

Acetate and metal, combined in an elegantly refined blend of materials are the focus in the latest [Rye&Lye](#) collection release. Flirtatious yet classy, the cat eye shaped "Champagne" style is ideal for wearers who want to embellish their look without any additional props as the frame's metal and acetate construction coexist with sophistication. The same blend of materials and skilled craftsmanship pair up in "Morellino" which features a more squared, sleek look, set [Read More](#)
