

Champagne by Rye&Lye

Flirtatious and very classy with its cat-eye shape, "Champagne" becomes a must-have accessory for wearers who want to embellish their look without any additional props. Metal and acetate mingle in a sophisticated, well-balanced whole. Acetate temples sheath a metal core with a cord-like look and the brow piece is embellished with a sinuously waved metal insert.

Pinot by Rye&Lye

"Pinot" is the perfect choice for the sophisticated, self-confident man. Round, with double bridge and titanium temples, it has a vintage flavor that is up-to-the-minute modern and self-assured in any situation. An exquisite expression of the fine craftsmanship and attention to detail that make every piece distinctive.

All **Rye&Lye** frames embody both the past and the future, thanks to shapes that express refined retro charm and the use of innovative materials and cutting-edge technologies that ensure these frames are authentic design pieces, to be worn as if they were works of art.
